

## Joe's Dreams

Joe had a dream of one day becoming an EMT and giving back to his community. He believed in education and believed it was a key factor to achieving ones dreams.

Starla (Joe's mother) started the Joe Lancour Memorial Scholarship in 2009, giving back to the community by providing an opportunity for students at LHS to further their dreams.

"Each year it is an honor to be able to award the scholarship and to keep Joe's dream alive. By giving back to the community and the students of LHS, I keep Joe's memory alive."
